

LUKE RAMSAY

Animator
Director

About me

I am an experimental animator and filmmaker with a passion for creating fresh and bold visual storytelling. My wide range of software skills has given me a robust toolkit to create memorable work screened in festivals worldwide. I have extensive experience working freelance and as part of a team to produce shorts and commercial work.

Targets

To be part of a professional animation team and produce memorable, standout shorts.

To learn what makes a memorable short from leading artists and directors

Interests

I am a keen long distance runner and drummer in a math rock band.

I love surrealist filmmaking, retro science fiction and both airplane movies
